## Quarterly Reminder Dues for 2024

Three quarters of annual achieved.

Brethren: This reminder for payments of dues helps us to achieve our goal of holding meetings and having a place to meet. We all know that Grand Lodge of the State Jersey assessed us during the fall of 2023.

That means this carries over and our finances carry the burden of unreimbursed monies. This places a strain on the lodge finances.

How each member helps:

- Paying on time reduces the carry over charges.
- Contacting the secretary with financial issues.
- Exempt members sending in the assessment or what they can afford.

This is our lodge, Laurel Lodge # 237 of Free and Accepted Masons.

A lodge with a proud tradition of service to the community and our Fraternity.

Attest: W.B. Jerry Barnish P.M. 2024

## **Message about Dues payment to Laurel Lodge 2024**

Good day Brethren. I hope all is well with everyone. I understand that there is much confusion concerning payment of dues. Dues notices are to be sent during the fall of each calendar year. Normally our Lodge will send the notices after Grand Lodge of New Jersey notifies each lodge of the assessment inventory for the next year. At that point, each member will have an invoice sent with the lodge dues including any increase voted by the membership usually during September of the current year. According to the by-laws of Laurel Lodge, the membership is required to pay dues for the next year by December 31<sup>st</sup> of the of the current year. This may be the source of confusion. Think of renewing dues for the forthcoming year in this fashion. If one subscribes to a magazine annually and one receives the renewal notice before the first issue of the magazine arrives for the New year, a reminder letter will be sent to the subscriber. If payment is not received, then a second notice will be sent. Thus, it is with lodge. This coming fall dues notices for 2025 will be sent to all Members. This also helps our lodge with payment of the assessment to Grand Lodge with no worries of the financial status of our lodge. The Master and Wardens will be able to look to working within the past spending nature for the betterment of our membership and contributions to society for charity. To answer a question of a grace period, members have by by-laws of the individual lodge and Grand Lodge up to 12 months to pay the aforementioned notice. Here is a rub for me serving as Secretary. When December 31<sup>st</sup> hits, the entry for dues on Grand View accounting turns red. Just like in the days of typewriters having a red ribbon for entering accounting entries, that is what would be seen. Black Friday is so named because of ledger entries by the typist for P&L statements. For the membership, Grand Lodge of the State of New Jersey has set forth a program called Grand View. If you are not aware of this, members can log into the site provided by Grand lodge to view status of each member and provide additional information about oneself for general viewing by the membership at large. Also, each member may view their individual financial statement with Their lodge. Your statement may be printed for your records, an invoice for payment maybe printed along with a number 10 envelope with address of the lodge to send payment if so desired and/or each members skill and expertise will be up to task. The lodge secretary will accommodate the wish of the member by adding notations to each account. I find it very convenient. I plan, with Master's permission, to demonstrate the system at lodge one meeting on the overhead projector so to clear any questions one may have.

Please contact me with your questions.

Fraternally, Jerry Barnish, P.M. Secretary 2024
